WALK TO SCHOOL WEEK 17TH TO 21ST MAY

Although we already encourage everyone to walk to school as often as possible, next week is officially Walk to School Week across the nation - and we're joining in!

Walk to School is a national campaign which has existed since 1995. Its aim is simple - to encourage all parents and children to make walking to school part of their daily routine.

Walking to school has a wide range of benefits:

- It keeps children (and parents!) healthy
- It reduces traffic and congestion on the roads as well as pollution at the school gate
- It reduces emissions of carbon dioxide
- It provides quality time before school for parents and children
- It is an opportunity for children to play, socialise and exercise before school
- It engages children with their local communities and environments
- It can take less time than driving to the amazement of many parents!

The Walk to School campaign comprises of two awareness events (Walk to School Week in May and Walk to School Month in October) and a year-round walking promotion scheme called WoW (Walk Once a Week) in which many of our children participate. So if you don't walk to school maybe next week you could make a big effort to use the car less and maybe even park away from the school and walk the end part.

Please do remember when you arrive at school to use the pedestrian entrances as some children, parents and carers are entering through the car park, this really is not safe!

CURRICULUM PLANS

Curriculum Plans are now on the website for you to see the topics and areas of learning that your children will be covering this term. If you do not have access to the internet, please inform the office and they will be happy to print copies out for you.

Ms Lam will be finishing tomorrow and going on maternity leave ~ I am sure together with myself and the staff you will want to send our very best wishes.

REMINDERS

- We are still collecting Tesco, Sainsburys and Book for Schools vouchers ~ collection boxes are outside the school office.
- Would parents/carers please remember to park considerately; not on the zig-zags outside the school nor over our neighbours' drives, thank you.
- Would parents/carers please use the pedestrian access ways into the school and not walk through the car park.

NOTES

- Year 3/4 trip to Kew Gardens on Tuesday 18th May ~ **Please note the following amendments:** can children please be in school for **8.20am** on this day. **The children will be back to school by 3.25pm.** Be prepared for rain or sunshine as we are mostly outdoors.
- Apologies for error in last week's newsletter ~ Rowan class assembly is on Friday 28th May (not 21st).
- Early Birds Breakfast Club ~ if you need places for September 2010, it is vital that you let us know **now** as we are filling up spaces quickly. Call Sarah or Natalie on 07986 715777

Friday Cafe Next Week - 21st May - Ash and Beech Classes

It seems like a while since we had a Friday Cafe, but luckily there is one next week, just in case you were wondering where we had gone! Ash and Beech classes are being asked to make, bake or buy and help on the day (a note should be in book bags today). Hopefully, the sun will shine and we can be outside. We aim to be open by 3.15, so come early to avoid the rush, and bring a box to fill up for the weekend - it is always such a shame when we have lovely homemade cakes and biscuits left over at the end, so we really want to have nothing left but crumbs this time! Volunteers to help on the day, please call the contact number below to let us know in advance of what you can do - we will be especially short of help this time, so all hands to the pump please!

On another note, if you (or a group of you) would like to consider running the Friday Cafe from September, please contact Clare Harrington on the number below between 4.30 and 5.30 on Thursday (today!) for more information. At least two of the current three organisers will not be able to continue next year so we are ideally looking for between 2-4 people to take over. We will need to meet with you before the end of term to run through what we do and to hand over the reigns. So, if you fancy making money for the school selling cakes, pick up the phone (but you will have to be quick)! Clare Harrington 020 8440 0172

Barnet Safe Cycling Scheme 2010

Year 6 are bringing home a letter today regarding two full days training sessions during the summer holidays open to all young people who live or attend school within the borough and will be eleven years old by the 31 August 2010. Places are limited and will be allocated on a first come first served basis.
